

## **iKhaya le themba Gift Catalogue** **Gifts that give twice!**

1. Health Care pack - toothbrush, toothpaste, soap, face washer, disinfectant cream, plasters R80/ \$15Aus

Many children do not have regular access to health care products. We teach them about self care in our program “Healthy Me”. You can help support this learning by giving a child a health care pack.

2. School Stationary pack – lead pencils, colour pencils, eraser, sharpener, ruler, pencil case, glue stick, back pack R150/ \$25Aus

Lack of stationary at the start of the school year gets many children into trouble with their teachers and interferes with their ability to learn well. Give a child a happy start to the school year with a School Stationary pack.

3. School Uniform pack – 2 shirts, 2 shorts/long pants/skirts, 2 pairs of socks, 1 jumper, 1 school shoes R400/ \$60Aus

A child in a new school uniform feels proud and confident – as well as comfortable! Schools will not allow children in without uniforms and this can become a barrier to education. A school uniform pack ensures that a child can go to school.

4. Afterschool care at intensive support centre – 1 child for 1 month R800/ \$120 Aus

Some of the children we work with need extra care to be able to grow up well amidst the challenges of their lives. The afterschool centre offers a small group environment to children whose families have been affected by HIV/ AIDS.
